Academic Governing Body of TIIKM

The Academic governing body of The International Institute of Knowledge Management (TIIKM) is an official committee of subject matter experts appointed under subject avenues to ensure the technical knowledge composition in TIIKM Conferences are of supreme Quality and are of much necessity to be addressed in the current context foreseeing to construct a healthy future tomorrow. The primary aim of setting up a committee of distinguished personals is to safeguard the industry practices that are generic in organizing Academic Conferences to ensure the delivery of a platform that is best established

The objective of the formation of the Academic Governing Body of TIIKM is as follows;

- To ensure the Conference is centralized on issues that require immediate attention.
- To ensure the Conference development phase is supported with authentic information.
- To ensure the Conference processes do function properly i.e. timely reviewing, responding and reverting with constructive feedback and comments.
- Authorizing the Panel of speakers and their titles in relevance to the theme of the Conference.
- Authorizing the partnering Universities, Journals and other affiliated partners to the Conference that provide academic value to the Conference.

Conference Overview

The 6th International Conference on Nano Science and Nanotechnology 2019 – (ICNSNT 2019) invites nanotechnology researchers, nanoscience and nanotechnology investors, Nano scientists, practitioners, policy makers, industry experts and members of professional bodies to send their abstracts for the conference. ICNSNT 2019 will be held from 12th – 13th December 2019 in Colombo, Sri Lanka. This conference provides a wonderful opportunity for you to enhance your knowledge about the newest interdisciplinary approaches in nanoscience and nanotechnology. Moreover, the conference offers a valuable platform to create new contacts in the field of nanoscience and nanotechnology, by providing valuable networking time for you to meet great personnel in the field.

Call for Papers

The 6th International Conference on Nano Science and Nanotechnology invites researchers, practitioners, policy makers, industry experts and members of professional bodies are expected to share the newest improvements and knowledge in the Nanoscience and Nanotechnology arena. The Conference will feature distinguished keynote speakers, plenary speeches and research poster presentations.

Global Platform

ICNSNT 2019 is an international platform, which provides the opportunity to world experts to come together under one roof and at one time to discuss ways to eradicate nanoscience and nanotechnology eradicate. Participants from across different sectors of society will have the unique opportunity to come together to discuss, share experiences, share information on good practices and propose solutions to Nanoscience and Nanotechnology related issues in their region.

Conference Tracks

We are proud to invite you to submit abstracts for the 6th International Conference on Nano Science and Nanotechnology 2019 (ICNSNT 2019) which will be held from 12th – 13th December 2019 in Colombo, Sri Lanka.

- Synthesis and Characterization Techniques of Nanomaterials
- Nano devices, Nano electronics and Nano sensors
- Organic and Inorganic Nano materials
- Biomaterials and Nano biotechnology
- Nanotechnology in Structural Biology
- Nanomedicine, Nano Drug Delivery Systems and Biopharmaceuticals
- Nanomaterials in Food, Agriculture, rubber and Water Purification
- Smart Textiles and Apparels
- Nanotechnology for Clean Energy and Environment
- Nano-optics, Nano photonics and Nano plasmonics
- Computational Nanoscience
- Nanotech Initiatives in State, Regions and International Arena
- Policy & Environmental Impacts and Standards
- Commercialization, Safety and Societal Issues of Nanotechnology

Abstract Guidelines

Abstract Submission Process

You are invited to send your abstract to the 6th International Conference on Nano Science and Nanotechnology 2019 (ICNSNT 2019), you have to send your abstract on or before the abstract submission deadline. The abstract must first pass a double-blind peer review and if it is accepted by the reviewer, we will send you the abstract acceptance notification. Upon payment of the registration fee, your presentation will be confirmed.

How to Submit

- Please submit your abstract to abstract@nanoconference.co
- The acceptable word range for the abstract is 175 – 275 words. The abstracts which do not meet this word limit will be asked for revisions.
- Please send in a brief biography together with the Abstract.
- Submit well before the submission deadline in order to benefit from Early Bird rates.
- Your Abstract will undergo a double-blind peer review within two to three weeks after receipt. If your abstract is accepted, you will be invited to register for the conference. At least one of the authors of the paper must register for the conference by on or before deadline.

Full Paper Guidelines

If your abstract is accepted and you have paid the registration fee for the 6th International Conference on Nano Science and Nanotechnology 2019 (ICNSNT 2019), you are encouraged to submit your full papers on or before full paper guidelines deadline.

We accept the submission of high quality papers describing original and unpublished results of conceptual, constructive, experimental and theoretical work or research in progress in all of the areas mentioned in the focus area. Submission of a manuscript implies that it is not under consideration for publication anywhere else.

Full paper reviewing process

- All manuscripts will be subjected to double blind peer-review and are expected to meet the scientific criteria of significance and academic excellence.
- The submitting author is responsible for ensuring that the article's publication has been approved by all the other co-authors and takes responsibility for the paper during submission and peer review.
- The publisher will not be held legally responsible should there be any claims for compensation.

Full paper submission process

- The full manuscript must be submitted as a MS Word document in .doc format (not as a PDF or .docx format) and named with author's abstract number and name.
- All manuscripts should be in English. Please ensure that your manuscript is not having any errors; this is especially important if English is not your first language.
- Download the Full Paper Template and thoroughly take after the designing rules.
- The format will help you to present your manuscript, subsequently you are asked for to take after the configuration thoroughly.
- Full manuscript that do not follow this format will be rejected.
- If paper is requested for revise we will send back to you with comments and you must send the corrected paper within a week.

Journal Publication Guidelines

If you wish to submit your manuscript in supporting journals of the upcoming conference please follow the supporting journal's submission process and the template guidelines. For more info please visit (ICNSNT 2019) website.

Publications

Book of Abstracts:

All accepted abstracts for the 6th International Conference on Nano Science and Nanotechnology 2019 (ICNSNT 2019) will be published in the conference abstract book with an associated ISBN 978-955-3605-42-9. All full papers sent for conference proceedings will be subjected to double blind reviewing process and will be published electronically with an ISSN 2386-1215 in the proceedings with a DOI Number (DOI prefix: 10.17501).

Accepted papers published in conference proceedings will be submitted to Google Scholar, Scopus and Thomson Reuters for possible indexing.

We provide you with the opportunity to publish your paper with well-known publishers.

The Scopus logo consists of the word 'Scopus' in a bold, orange, sans-serif font, with a registered trademark symbol (®) to its upper right.

Program Highlights

The 6th International Conference on Nano Science and Nanotechnology 2019 – (ICNSNT 2019) is designed with the objective of not only serving as a platform for participants to present their research paper but is a platform that is considered to be a knowledge hub together with special features that is aimed at enhancing the knowledge with a purpose of developing the career of the participants attending the Conference. The featured events of ICNSNT 2019 are as follows;

Best Keynote and Plenary Speakers

Be inspired listening to world renowned experts in poverty and gain invaluable insights in the field of study. Plenary speakers will address specific topics that require attention in the search for equitable treatment for all mankind.

CAREER DEVELOPMENT WORKSHOP

Publication Workshop

ICNSNT 2019 offers a Publication workshop to help you prepare for the next step in your career. The aim of this workshop is to provide participants with the skills and understanding needed for successful publication.

Industry Based Workshop

The field of Nano Science and Nanotechnology are going through a major revolution that are enabling the study of ever more challenging issues that contribute to developments in the industry. This workshop will be conducted by an expert in the field with practical and experimental activities.

KNOWLEDGE – NETWORK – AWARDS

- 75+ Research Presentations (send your abstract now)
- International Audience from 20+ countries
- Networking Dinner with Cultural Show
- Awards Ceremony – The Best Researchers will be recognized and awarded
